The **LILLY OF THE VALLEY FOUNDATION** was formed by a group of compassionate people who saw a need to start a local feeding scheme and help the needy in the community.

The **LILLY OF THE VALLEY FOUNDATION** cater for approximately 426 children ages from 1 year to 16 years old, 120 elderly ladies who are mothering some of these children who care for them on their stipend pension grant. The Foundation also support 80 female single parents and in addition to all this, the Foundation also run a day care centre for parent’s who are unable to afford the cost of a crèche for their children.

MATSIMELA was able to brighten up the day of these dedicated women by spoiling them with MatsiMela Mother’s Day Pamper sets, with the intention of giving these ladies an opportunity to relax and indulge themselves on their special day.
